

CHV-201
EVOLUTION OF DEMOCRACY TIMELINE ASSIGNMENT

Your goal will be to create a time line poster showing important historical steps in the evolution of democracy.

You will need to include

- Title
- The date (year) of each document
- The key ideas expressed in each of these documents (briefly!)
- A symbol, picture or graphic representing each stage in the evolution

In constructing your timeline you will need to organize the information in an effective manner, the more creative the better. You will work in groups; each person will be expected to contribute, and will be evaluated on this basis. You will be expected to do part of this assignment outside of the classroom (homework).

Your evaluation will be based on:

- Creativity
- Evidence of understanding the stages
- Neatness
- Completeness and accuracy
- Usage (spelling, grammar, etc)
- Overall effectiveness of design
- Contribution to the group, and ability to stay on task
